Deb® InstantFOAM, sanitiser NEW!

Highly effective, perfume-free, dye-free alcohol-based foam **hand sanitiser** with moisturiser. Use without water to kill 99.999% of many common germs in just 15 seconds. The hypoallergenic foam formula is ideal for frequent use, leaving hands feeling refreshed, smooth and soft. Does not contain any gelling agents, so unlike alcohol gel products, frequent use of Deb InstantFOAM does NOT leave hands feeling sticky. Also, the non-tainting and glove compatible formula is ideal for use in any food handling environment. The highly effective formula conforms to EN1500 in 15 seconds, prEN12054, EN1276, EN1275 & EN1040.

Skin protection/Skin care

1

1 Lindesa® skin protection cream with beeswax

Non-greasy, quickly absorbed. The cream strengthens the defensive functions of the skin, preventing skin damage from external pollution and soothes irritation. Smooths and cleans without leaving a residue. Lindesa® gives the skin elasticity and suppleness through its special caring agents. The sense of touch is not affected. For low levels of soiling it provides protection against weak acids, alkalis and organic substances.

Capacity ml	PK	Cat. No.
50	1	9.191 145

2

2 Lindesa® O skin protection cream with beeswax

Moderately greasy. Particularly suitable for protecting the skin against organic solvents, varnishes, oils, petroleum spirit, resins, dyes, paints etc. as well as for after-work care for dry skin.

Capacity ml	PK	Cat. No.
100	1	9.191 148

3

3 Lindesa® K skin protection cream with beeswax and camomille

Quickly absorbed. The cream strengthens the defensive functions of the skin, preventing skin damage from external pollution and soothes irritation. Smooths and cleans without leaving a residue. Using Lindesa® K avoids greasy smears on surfaces and is therefore suitable for workers involved with enamelling, electronics production, or final inspection.

Capacity ml	PK	Cat. No.
50	1	9.191 149

4

4 Chinosol industrial health and safety cream

Medical skin ointment for protection against industrial skin allergies, e.g. caused by organic solvents, oils, varnishes, paints etc.
